### NOTHING TO CRY ABOUT IN SWAFFHAM...???

Of course there is, as someone who has no choice but to attend Town Council meetings, there is usually plenty to cry about emanating from our monthly gatherings. All in the best possible taste of course, not meaning tears and tantrums which are always an essential ingredient to the world of local politics... However, we do have a vacancy for a Town Crier due to the recent resignation of Kerry Hart (you may have seen this reported on TV recently), so on behalf of the Town Kerry, thanks for the past 7 years as our Town Crier. If you are interested in filling this vacancy, then take a look at the details in 'Under the Buttercross'. The Council believe that there are plenty of occasions for our Town Crier to participate and add to the occasion or to represent the Town.

It has been all change recently as the new Mayor Jerome Stockdale settles in to the year ahead, moving up from Deputy Mayor last year. The new Deputy Mayor is Paul Darby. Retiring Mayor Pam Buxton gets a well earned rest. It has also been all change at Breckland Council too with new Chief Executive Becky Hellard and new Leader William Nunn getting to grips with their roles. They both attended a Town Council meeting in June. Having also met both of them to discuss how joined up local government has to be the way ahead, this wind of change is an opportunity to lay past frustrations down, and move forward.

Enjoy your read...RB Town Clerk

## MAYOR'S PARLOUR

May I take this opportunity to introduce myself as the new Mayor of Swaffham, a role that has been entrusted to me by my fellow councillors. I was born in Swaffham and have lived here for 47 years. Indeed even my parents and grandparents are/were Swaffham residents. I have always worked in the town, first as an employee and now with my own business. I have been on the Town Council for 7 years and want to see Swaffham move forward. There are many changes taking place at present and much disruption in the town, but hopefully the end result will make it all worth while and Swaffham will continue to thrive and expand.

The Community Centre is almost complete and should be open again by September. The Town Centre enhancement will not be completed for a while, but it is taking shape. The Assembly Rooms may look like a building site at present but by the end of the year work should be concluded and this building will once again become a focal point of the Market Place.

I am pleased and privileged to take on this role for the ensuing year and hope that I can continue with the good work which Councillor Pam Buxton achieved. I look forward to working with Councillor Paul Darby (Deputy Mayor) and all the other Councillors on future projects and I am sure the year ahead will prove to be exciting and challenging.

Jerome Stockdale  
Mayor of Swaffham

### FARMERS MARKET

The Farmers Market has now been up and running successfully by the Town Council for the last 14 months. It is held on the first Wednesday of each month and is located by the War Memorial. It has a variety of stalls, that cater for a variety of tastes and is now looking to expand the Market to include craft stalls. The Market upholds the Swaffham tradition of quality and variety of its stalls selling locally produced produce.

Why not visit the Market on a Wednesday morning between 8am and 1pm, and complete your morning with a visit to one of the town's coffee shops. If you need more information or would like to become a stall holder, please contact Swaffham Town Council on 01760 722922.

### TOWN CENTRE FLOWERS

Mike Dye the town gardener has done us proud again this year with his marvellous display of flowers. His display has improved year on year even though he may not agree with you. Unfortunately due to lack of entrants in last year's 'Business In Bloom' and lack of sponsorship there will not be a competition this year. Despite this it would be wonderful if more properties around the town centre could add to Mike's display. Our grateful thanks to those of you who have sponsored the displays this year, it is not too late to sponsor the flowers this year, do call in at the Town Hall if you are interested.

### TOWN CRIER

A vacancy has arisen for the position of Town Crier, to continue a local tradition. The position is open to both male and females, and should be outgoing with a strong voice. As a Town Crier you

will be expected to attend civic and charitable events free of charge. A uniform will be provided. To apply for this voluntary position, please apply in writing to Swaffham Town Council, 4 London Street, Swaffham, PE37 7DQ

### THE PEDLAR SIGN

The revamp of the Pedlar sign is nearing completion. It is hoped that by the time you are reading this newsletter the Pedlar will have been let out of prison and be back home where he belongs in Swaffham. The area around the sign including the railings has also been revamped to enhance the revitalised sign.

### ASSEMBLY ROOMS

The Iceni Partnership is making good progress with the refurbishment of the Assembly Rooms despite the poor condition of parts of the structure and the discovery of large areas of rot. Every attempt is being made to accommodate these works within the original timetable for the job which is scheduled for completion in November.

### COMMUNITY CENTRE

Work is progressing well the new Community Centre. Iceni Partnership is planning the opening of the new building as completion is estimated for the end of August/start of September. It is planned to move the former tenants back into the building in September with the official opening scheduled for 1<sup>st</sup> October 2005.

The partnership would like as many people as possible to join in celebrating the launch of the new centre and will be contacting local voluntary groups over the forthcoming weeks to invite them to have a stand or provide a demonstration of their activities. If you are interested in taking part please contact the Iceni office on 01760 722800 or email [bernie@iceni.info](mailto:bernie@iceni.info) for more details.

## AGE CONCERN SWAFFHAM & DISTRICT

We are continuing with our monthly **entertainment afternoons** which take place on the **last Tuesday of every month**. They are usually held in the **Methodist Church Rooms, London Street, from 2.00 pm to 4.00 pm (unless there is an outing planned)**. These are free and we have a variety of events which are thoroughly enjoyed by all. During the year we have about four professional entertainers and at another three afternoons which are arranged in-house such as beetle drives and quizzes. There is also a New Year party. In addition, we aim to run four coach trips which are subsidised for our members. It only costs £1 per year to join the Club so **do** come along and have some **FUN!**

Just as a reminder, future dates are:

- **June 28<sup>th</sup>** - outing to "Collectors World" at Denver;
- **July 26<sup>th</sup>** - in-house entertainment and talk;
- **August 30<sup>th</sup>** - outing to Cromer Pavilion Theatre to see the show, "Seaside Special";
- **September 29<sup>th</sup>** -in-house entertainment;
- **October 25<sup>th</sup>** - outing to Gressenhall to see the "Roots of 11 Norfolk" experience;
- **November 29<sup>th</sup>** - entertainment; and
- **December 20<sup>th</sup>** - outing to Thursford to see the fabulous Christmas Show.

Our **Befriending Scheme** which has now being in operation for nearly a year, is being sponsored by "Cover" and Norfolk Social Services and we are pleased to say that it is highly successful. The befrienders visit lonely people in their homes and all say what a rewarding experience this is. We still need more volunteers to join the team under our Befriending Co-ordinator, Sheila Lewis. We would be delighted to hear from anyone able to spare an hour or two each week. **Please** contact James or Barbara (see below) in the first instance. Training can be provided and expenses are paid.

Also, our **Information Centre** is in operation and we are grateful for the support of Lloyds TSB Foundation for England & Wales in this venture.

This Centre is open on **Thursdays and Fridays, 10 am to 1 pm** and is situated on the ground floor of the new **Town Hall Offices**: entrance is only available from Cley Road until the Museum refurbishment is completed. It is fully accessible by wheelchairs users. We are able to supply leaflets and other information on a wide range of topics from benefits to housing. If we don't know the answer we can probably point you in the direction of someone who does. There is no need to make an appointment. Again, **we need more volunteers** to help staff up this very worthwhile venture.

As you can see we are still expanding and have more funding bids in the pipeline. We're a happy bunch of helpers and would love you to **come and join us**. Experience the feeling of doing some good in a very worthwhile cause!

Contacts for all the above are: Barbara White 01760 723866 or James Dean 01760 720756

### **Swaffham Carnival**

Last Year we saw the date of the Carnival changed to July to encourage more participation from the youngsters of Swaffham.

This was successful, so we are expanding on that theme this year by involving more youngsters from the different communities in and around Swaffham.

This year we see the introduction of a King and a Prince to accompany the traditional Queen and Princess for the Carnival proceedings.

We have also changed the venue for the afternoon's activities to the Rugby Club (transport will be provided).

The Carnival preparations are a year-round function, and I would like to take this opportunity of thanking our financial sponsors and also the other businesses in and around Swaffham who have helped in other ways.

Also, a big "thank you" to all traders for supplying raffle prizes. You all equally play a big part in the success of the Carnival.

My thanks also go to the Carnival Committee for helping to put this carnival together.

I urge all of you to attend whatever functions you can throughout the week and support The Olive Tree Project and St John's Ambulance who are the beneficiaries of this year's carnival.

Please enjoy yourself during the Carnival.

Paul Southerton

Carnival Chairman

Everyone is welcome, you don't have to be a Friend of Swaffham Museum, and you don't have to dress up (unless you want to).

There's a lot to do and pleasant company to join, and a thoroughly enjoyable atmosphere to drink in. So don't be shy, grab a croquet mallet, and start swinging. The Games start at about 2.30pm and the food will be ready for 5.30pm. Tickets are £5.50, available from Barbara Clarke, 01760 720140, or pay on the day.

### **Swaffham Fun Day & Classic Car Cavalcade.**

Unfortunately the Fun Day this year was not well attended, which is very sad because the people who did come said this was the '**best yet**' - more cars, more stalls and more events. From the committee's point of view, this year was also extremely well organized and the whole day went smoothly and without any problems. Two occurrences were perhaps to blame for the lack of attendance - 1. the weather (as always we are reliant on the weather!) and 2. the general trend of a downturn in spending. However whatever it was, anyone who didn't come missed a smashing day. We did, however, make a profit and would like to express our thanks to all the generous people who supported the Fun Day, especially our main sponsor Staff Hire Employment Agency, also Swaffham Discount Carpets, McDonald's (draw tickets), Waitrose (barbecue), Thurlow Nunn (car plaques), Merit's (treasurers shed) and a big 'thank you' to all those shops in Swaffham who gave so generously for the Tombola Stall. Do support Swaffham Fun Day next year. We know without a shadow of doubt that you will enjoy it as it is going to be even bigger and better than this year!!

**Here's to SFD 2006 - see you there!**

### **School Visits from Hemmoor**

Hamond's High School has been very fortunate recently experiencing 3 visits from classes 7a, 7b and 7c from the Osteschule in Hemmoor.

Swaffham Town Council kindly funded the very exciting Ten Pin Bowling games between the two schools and also the visit to the EcoTech Centre to include the climb up the Wind Turbine, where marvellous views were much appreciated by the young visitors. They also experienced a day at the seaside in Hunstanton, a trip to London to "see the Queen", even though it was in Madame Tussards.

At the top of there list was the exchange of timetables with "buddies" from Hamond's. The visits were enjoyed by all. The new style cafeteria was an experience for them sampling and being treated to school dinners! They were amazed at the Wizard of Oz production, the sight of hundreds of Year 11 doing their GCSE's, the vast array of blue uniform complete with school logo, but most of all by the sheer friendliness of everyone.

Special thanks also to the School Caretaker, Mr Roy Gorrett for driving the mini-bus for them. Lots of e-mails, text messages and letters are changing hands in preparation for the return visit by Mrs Chaplin and her team in the new school year. We can't wait to see our new friends again! The first group with Frau Theda Blumel managed to catch the ferry with 5 minutes to spare, after waiting on the wrong platform in Ely. The next 2 groups certainly didn't make the same mistake.

Thanks to all concerned in making their visits so memorable.
